

Sydney Fish Market (SFM) has announced the creation of two new roles in Business Development, to assist with the company's digital transformation ahead of the site redevelopment in Sydney's Blackwattle Bay. The two new recruits of exceptional calibre have been appointed as Business

The high-calibre of these new recruits exemplifies Sydney Fish Market's commitment to growth in the coming years with a genuine focus on the future of the industry to coincide with its state-of-the-art physical redevelopment on Blackwattle Bay.

Already representative of the industry standard in responsible sourcing and quality assurance, SFM intends to leverage the opportunities provided by the new trading platform, to further advocate for sustainability and foster trade efficie1 11.04 TfY1.04 Ts. e72.q0.2600008875(l600o)-7(p)14uea2(m59(er)d-4(st(o)6)-
